To: All Time Favorite's Entertainment

The families of the North Star group #114 Transit Division out of Duluth and Chisholm, thank you for your contribution to the event that was held at Woodbury Lutheran Church.

It was a wonderful time for the families, whose loved ones are off serving in Afghanistan, to be able to come together and support one another. People from the Twin Cities, outside of the Twin Cities, and even outside of the state were able to attend this event. The event was made even more special for these families because of your contribution. Thank you for your support!

Sincerely,

Ernie Ginn
